TECHNO-CULTURAL FLAIR 2023

A Brief Report on State Level Technical and Cultural Fest

1. About Flair 2023

Flair 2023 is an intercollegiate cultural fest of Channabasaveshwara Institute of Technology. This annual affair brings with it new surprises, new challenges, new winners, and lots of fun along with it. It is a two-day event that features several activities and events that challenge the potential of students from all over the student community. Every year the students unite in a combined and synergized effort to organize this festival. Not only does, it allows the students to explore their creative and artistic sensibilities but it also provides a platform to exhibit their talents. Our college authority decided to celebrate this year's annual cultural program with technical events.

Flair has been one of the best college festivals in Tumakuru that has attracted students of 7 different engineering colleges to exhibit their talents, implement their technical skills and show their connection with culture. In this techno cultural fest CIT organized 40+ events (Technical and Cultural) with the cash prize worth of 2.5lakh. The biggest attraction of the fest was the DJ shows and Celebrity live concert Harshadwani.

In the era of modernization and westernization when most of the people are moving away from their own culture and history, events like Ethnic day enable the young generation to revive love and respect for their own culture and history. On flair day CIT celebrates ethnic day as a flair inauguration theme with vibrant and colourful cultural event.

On 24th March 2023, the fest opened with samskruthika utsava vaibhava. Here our college students showcased their talents in many cultural events like Veeragase, Nandi Dwaja, Yakshagana, dollu Kunitha, Chitte mela, kamsale and Bharatha Natya. Over 20+ girl students come up with ethnic saree and marched with Kumba Kalasa along with samskruthika utsava procession. The procession blended with nasik dol and chitte mela and all the students were enjoyed with dance. The procession went to amphi theatre stage at 12PM and all the samskruthika utsava team performed on the stage for several minutes. Later the fest officially started with our chief guest speech Dr. Suresh D S and Dr. Shantala C P inspired and wished all participants to perform well in fest.

CIT-Flair Cultural fest are organized every year with the objective to provide platform for the students to showcase their talent with a competitive spirit. The event was successful enough to attract as many as 350+ registrations across the state for a two-day state level fest which includes both technical and cultural events. Students are actively participated in all the events and showcased their talents. The fest executed with a total of 40+ events planned and organized at its best of quality. Focusing on the types of events to include in the fest was decided by CIT Cultural club members keeping the interest and need of the engineering student into consideration, with little emphasis on the fun full events behind the scene. The events like Choreography, Fashion show, Theatre events, Field events, Fine

Arts, Paper presentation, Poster presentation, Project expo, programming contest, creative writing and many more events were equally planned, executed, and have managed to gather maximum response.

As far as technical events are into consideration the registrations were done in advance as the paper, poster and project scrutiny needed to be done and to give opportunity to present best innovative idea submitted during the fest days. Nearly 6 esteemed colleges like SIT, SSIT, St. Pual, Presidency etc. are participated along with CIT. The winners were encouraged with a cash prizes for all the events. College management feels proud to organize such a successful event and would like to convey thanks to principal and management for their timely advice and cooperation for organizing successful Fest. Arranged nearly 10 stalls of food.

Before this techno cultural fest, CIT organized a pre-launch event on 14th March 2023. This pre-launch events have organized to promote techno cultural events to the student community. Pre-launch event curtain raised by Dr. Suresh D S, Director and Principal, CIT Gubbi and Dr. Shantala C P, Vice Principal, Head Dept. of CSE in the presence of all students of CIT. On pre-launch day we conducted few events like Poster design, Trailer release and Flashmob for students and the program executed successfully.

This year Techno cultural flair introduced championship. Fest aims at appreciating and promoting talents and skills among CIT students as well as the provision of opportunities and a platform for practicing different skills, talents, and ideas. 9 teams are participated from CIT and 2 teams are participated from other college for this year techno cultural flair championship. In all the events the team has participated, winner got 5 points, runner got 3 points and participated team got 1 points. At the end of this fest, we announced flair championship for the overall best performed team by considering the point table. This year Flair Champions are “Team Illuminati” Led by Nikil 8th Semester student and runner is “Team imparable” led by Yashas Gowda 8th Semester CV student.

Not to forget final year students of CIT also deserve thanks for contributed their complete effort and participants for making “Techno Flair 2023” Fest a grand success.

12. Conclusion and Acknowledgement

Techno Cultural Flair – Annual Fest organized by highly energetic students to showcase their talents is formally marked as complete for the year. Undoubtedly, the most effective way of bringing the best out of youth, encourage their creativity, enhance social interaction, and facilitate exchange of ideas and thoughts. Over 350+ students from 7 prominent management Institution across the state participated & showcased their talents & managerial skills through dance, music, literary work, and various categories of events.

In his inaugural speech, Dr. Suresh D S, Director, CIT Groups, emphasized on quality of education and holistic development of students. He appreciated Cultural club efforts towards organizing cultural fest for 2 days.

Speaking on the occasion, Dr. Shantala C P, Vice Principal, CIT, explained importance of time management and advised exercising conscious control over the amount of time spent on specific activities. Wished all the student community to enjoy the cultural fest

Flair 2023 included technical events, cultural and literary events as the three core events categories. Total 40+ events are organized. Events highlights included photography contest, quiz, dance, singing etc. to name a few. Creativity contests like rangoli and face painting along with group events like: treasure hunt, lazy dance were some other events that calls for special reference. Day 1 highlighted on traditional procession and choreography. Day 2 highlighted on technical events, dance DJ and Musical concert.

CIT cultural club acknowledge CIT management and Dr. Suresh D S, for their continuous support for organizing this event. Dr. Suresh D S guided all the faculty coordinators for the successful conduction of techno cultural fest.

I would like to thank all the department cultural coordinators Mr. Suhas K C – CSE, Dr. Nagesh S B- ME, Dr. Sanjeev Kumar Hariyar – ECE, Mrs. Yashaswini C S – EEE, Mr. Manjunatha Katti – CV, Mr. Arun Kumar M S – AD, and Mrs. Divya – MBA for their whole hearted involvement in conducting and coordinating this fest.

I extend my thanks to all department HOD's / Coordinators for their backend support to organise this fest

CIT Cultural club thanks all the students who participated in these events, and wishes them the very best for all their future endeavours.

By,

Mr. Anil Kumar

Cultural Club Coordinator
