

Partnering in Academic Excellence

# CAMPUS MITRA

... Your True Companion

January 2023 to December 2023  
For Private Circulation only

CHANNABASAVESHWARA INSTITUTE OF TECHNOLOGY, GUBBI

campusmitra@cittumkur.org

An MBA Dept Initiative

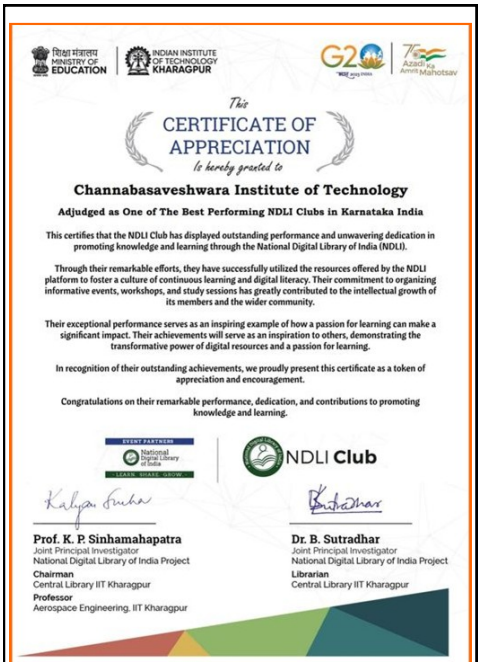

## Awards & Recognitions

Management congratulates **CIT FAMILY** on the remarkable achievement in the **IIRF 2023 rankings**. This success is a testament to our collective effort and commitment to excellence in education. Let's use this as motivation to reach even greater heights in the future.  
**Well done, Team CIT.**

We are thrilled to announce that Channabasaveshwara Institute of Technology has been chosen as a Nodal Centre of Virtual Labs for the year 2023 under the **National Mission on Education through Information and Communication Technology**.

This prestigious honor reflects our commitment to advancing education and technology, and we couldn't be prouder to be part of this incredible journey. A special thanks to the National Institute of Technology Karnataka (NITK, Surathkal) for their invaluable support as the mentor participating institute

The Best Performing NDLI Club in Karnataka, Certificate of Appreciation received from NDLI CLUB & National Digital Library of India.

## CIT-CAT—2023-24 Beneficiaries

CIT-CAT is a Competitive Admission Test conducted by Channabasaveshwara Institute of Technology, Gubbi since 2008 through which engineering seats @ CIT is offered fully FREE.. Director Dr. D S Suresh issuing CIT-CAT sanction letter for the candidates selected under CIT-CAT—2023.

## CIT - NAAVIC—MOU

An MoU was signed between NaaViC Agri-Business Incubation Centre and Channabasaveshwara Institute of Technology, Gubbi, Tumkur on 19th July, 2023 in this regard Dr. Suresh D S, Director and Principal CIT-Gubbi visited NaaViC, ICAR-NIVEDI, Bengaluru.

## From the Desk of Management

Campus Mitra showcases the accomplishments of students and faculty at CIT. Our goal is not to create the future, but to craft you for it. Our education program includes social, arts, cultural, creative and innovative, sports, and service. Even greater efforts face challenges, but they bear the sweet fruit of success. Experience the sweet taste of success once, and you'll be driven to pursue it tirelessly throughout your life. I take immense pride in the dedicated efforts of the CIT Team in crafting the Campus Mitra Newsletter. The team deserves significant accolades for seamlessly orchestrating activities with effectiveness and efficiency. Wishing the team continued success and the best in all their endeavors

**Sri. G S BASAVARAJ,**  
Chairman CIT Group of Institutions  
MP from Tumkur Lok Sabha Constituency

The institution is dedicated to nurturing holistic student development. Our team of committed and highly qualified faculty broaden the students' learning horizons, facilitating academic excellence marked by high grades. The CIT team is nurturing the students to pursue individual excellence across academic, spiritual, cultural, social, and physical domains, fostering their growth into seasoned individuals with self-confidence. While I am gratified by the accomplishments showcased in Campus Mitra, we continue to inspire students to reach new heights in contemporary technologies. I commend the team and its leadership for their tireless efforts in bringing these activities, achievements, and accolades to the institute

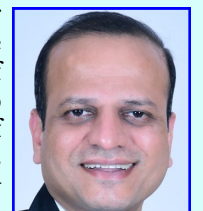

**Sri. G B JYOTHI GANESH**  
MD & Secretary, CIT Group of Institutions  
MLA, Tumkur City Constituency

On behalf of the Institution, I want to extend our warmest congratulations to each member of the Campus Mitra editorial team for the outstanding work in compiling the latest edition of our college newsletter.

Your dedication and commitment to excellence have truly shone through in the comprehensive coverage of achievements across all departments. It is no small feat to gather information from various corners of our institution, and your team's efforts have brought forth a vivid tapestry of the remarkable accomplishments of both our students and faculty.

The newsletter highlights the incredible talent, hard work, and dedication of those individuals who have brought pride to our college. The in-depth coverage not only captures the essence of their achievements but also serves as an inspiration to all of us. Once again, congratulations on a job well done! We eagerly anticipate future editions

**Dr. SURESH D S**  
Director, CIT Group of Institutions  
Chairman – ISTE Karnataka Section

# CAMPUS MiTRA... Step 2

## Director's Diary

**Dr. D S Suresh**, Chairman, ISTE Karnataka section, Director, CIT Group of Institutions, felicitated **Dr. S Vidyashankar Honourable Vice Chancellor, VTU, Belagavi**, Former Vice Chancellor, KSOU, Mysuru. Dr. B E Rangaswamy Registrar, VTU, Belagavi, National Executive Council Member, ISTE, New Delhi, Dr. T N Sreenivasa, Registrar (Evaluation), VTU, Belagavi, National Executive Council Member, ISTE, New Delhi, in presence of National Executive Council Members, and SMC Members of ISTE Karnataka Section, at VTU, Belagavi campus on 11.01.2023

## Interaction with HAL Officials

**Mr. G Rajmohan**, Chief Manager (Training), Technical Training Institute, Hindustan Aeronautics Limited, and **Mr. Tammanna S Kavari**, Deputy General Manager, Training Institute, Hindustan Aeronautics Limited, Visited the Channabasaveshwara Institute of Technology, Gubbi, and discussed with **Dr. Suresh D S**, Chairman, ISTE Karnataka Section, Director, CIT Group of institutions, regarding the upcoming walk-in selection for NATS Apprenticeship Training for diploma holders and Graduate Engineers (B.E/B.TECH Degree Holders) of Southern Region.

## CHIEF GUEST

**Dr. Suresh D S** Chairman, Indian Society For Technical Education (ISTE) Karnataka Section, Director, CIT Group of Institutions Gubbi, was invited as the Chief Guest for the inaugural function of 5 days National level workshop on "**Deep Learning and its Applications**" from 6th March 2023 to 10th March 2023 at Kalpataru institute of technology, Tiptur in association with ISTE Karnataka section.

**Dr. Suresh D S**, Chairman, Indian Society For Technical Education (ISTE) Karnataka Section, Director, CIT Group of Institutions Gubbi, is Chief Guest for the 18th ISTE-Karnataka State Student Convention @ Vemana Institute of Technology, Bangalore (06.05.2023).

**Dr D S Suresh**, Chairman ISTE Karnataka Section and Director CIT Group of Institutions was invited as the chief guest for inauguration of **ISTE students chapter at HKBK College of Engineering- Bangalore** on 19th July 2023.

**Dr Suresh D S**, Chairman ISTE Karnataka section ,Director C.I.T group of Institutions was invited as the Chief Guest for the inauguration of **ISTE student chapter and 1st year BE Induction Programme at ATME College of Engineering, Mysore** on 23rd September 2023.

## ISTE Karnataka section Chairman Interaction with foreign Delegates

**Dr. Suresh D S**, Chairman of ISTE Karnataka Section, interacted with the delegates. **Mr. Abdul Dewale Mohammed**, Founder, and Group Executive President of AFRICA ASIA SCHOLARS GLOBAL NETWORK Innovation centre, Chatham Kent, United Kingdom was present as a guest during the ISTE National Annual Students Convention on 4th March, 2023 at Priyadarshini College of Engineering, Nagpur. He was happy to meet Dr. Suresh D S and personally appreciated his dedicated efforts and the initiations taken up in ISTE Karnataka Section .

**Dr. Suresh D S**, Chairman of ISTE Karnataka Section was Honoured by **Dr. Sharanbasappa Sali, Principal and the faculty team of Veerappa Nisty Engineering College, Shorapur.** Dr Suresh D S was invited as an expert to emphasize the current technology and its implications on Higher Education on 25<sup>th</sup> November 2023.

**Dr. Suresh D S**, Chairman of ISTE Karnataka Section and Director, CIT Group of Institutions, had an interaction with **Dr. Ganesan Kannabiran, Director NAAC** on 7<sup>th</sup> December 2023

**Dr. Suresh D S**, Chairman of ISTE Karnataka Section and Director, CIT Group of Institutions, had an interaction with **Dr. Ganesan Kannabiran, Director NAAC** on 7<sup>th</sup> December 2023

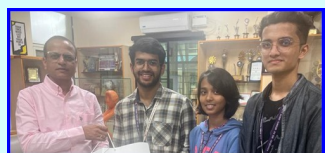

ISTE, Karnataka Section Honored and awarded 22 Best Students in their college ISTE Chapters, based on the overall performance of the students in ISTE Activities.

**Dr. Shantala C P**, Vice-Principal and Director of CADC, in discussions with **Dr. Eshwar N Maanay** from BNMIT during the ICT Academy Conference held at ITC Gardenia, Bangalore on December 13, 2023

Best wishes from **Dr. Suresh D S**, Director, CIT Group of Institutions and Chairman ISTE Karnataka Section to the students who are moving to Chittoor (Andhra Pradesh) to participate and present their project proposal in the Grand Finale of SIH (Smart India Hackathon) organized by Ministry of Home Affairs, GoI

## ISTE, Karnataka section Best Faculty Chapter Award 22 - PES, College of Engineering, Mandya

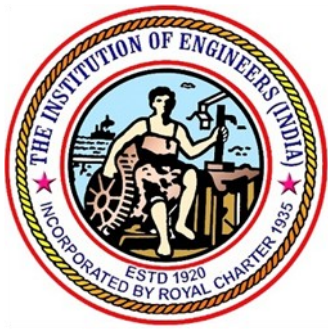

## ISTE, Karnataka section Best Student Chapter Award-22 KSIT, College of Engineering, Bangalore

# CAMPUS MiTRA... Step 3

## Activities organized by The Institution of Engineers (India) Tumakuru Local Centre

### CIPHER BATTLE 2.0

Channabasaveshwara Institute of Technology, Gubbi, Tumakuru, hosted a 24-hour state-level technical/hackathon competition on 8<sup>th</sup> and 9<sup>th</sup> July 2023 organized by Eunoia Labs Bangalore, Coral Academy of Learning Management Bangalore in Association with IEI- Tumakuru Local Centre, and ISTE Karnataka State Centre.

Around 259 students from 12 engineering colleges all over the state participated in this mega event. The competition comprised four categories of events

- ◆ Product development
- ◆ IT Quiz
- ◆ AWS sponsored quiz
- ◆ Programming competition.

The event was inaugurated by notable personalities including **Sri G B Jyothi Ganesh**, Secretary and MD CIT Group of Institutions and MLA, Tumakuru City Constituency, **Dr. Suresh D S**, Director, CIT Group Of Institutions and Chairman, ISTE, Karnataka Section & Honorary Secretary IEI-Tumakuru Local Centre along with the Guest of Honour **Dr. Ravi Shankar C V**, Vice Chairman, IETE Bangalore Section, Professor and Head, Dept. of ECE, Sambaram IT, Bangalore, Vice Principal **Dr. Shantala C P**, and **Dr Sridhar K N Rao**, Chairman IEI-Tumakuru Local Centre. The event commenced at 10:00 AM on the 8<sup>th</sup> Saturday with Inauguration, followed by further rounds of the event.

The team Tech Fusion from BITM-Bellary secured First Place in Product Development. The team Void from Atria College of Engineering Bangalore secured the Second place, The team, MindHackers from GSSSIETW, Mysore secured Third Place, The team Titans from GSSSIETW, Mysore secured Fourth Place and The team Hacksquad from CIT Gubbi secured Fifth Place in Product Development Category.

Mr. Gangadhar S, Program Manager Tiger Analytics. Mr. Srijith H S, Program Manager - TCS Bangalore, Mr. Chethan S, Program Manager TCS, and Mr. Kumar S Program Manager Eunoia Labs Bangalore were the Jury Panel Members.

The other three events were individual events. The event went on well and was successfully completed on 9<sup>th</sup> July at 10:00 AM.

### END TO END VLSI TECHNIQUES & CARRIER OPPORTUNITIES

Dr. Suresh D S launched the event and addressed the gathering. His inspirational Speech motivated the students. In his talk he specified that it is our highest priority to groom the students to meet the industry exposure and enforce them with all the human value, professional ethics for their successful career. Dr. Sridhar K N Rao, Chairman IEI- Tumkur local centre also addressed the gathering. Sir in his speech enlightened the students to participate in such various activities organized by IEI, Tumakuru Local centre and should take the advantage of the opportunity for enhancing their knowledge and skill.

At the end the inaugural function, the vote of thanks was rendered by Mr. Malatesh Bajantri, Assistant Professor, Department of ECE, CIT, G u b b i .

Students were inspired by dignitaries and resource person's speech. The event was grand success & paved way for many such endeavors in future.

### Enhancing the Research Visibility Strategies and Techniques.

**Dr. B T Sampath Kumar** and other dignitaries inaugurated the event followed by introduction of the guest by Prof. V C Kumar, Head, Library Advisory Committee & HOD, Dept. Of EEE, addressed the gathering and explained how crucial this moment is for the guest speaker to begin his lecture. Dr. B T

to interact with the faculties and students rather than to proceed with a monotonous speech. Throughout the session he engaged with the faculties and students asking some questions and elucidated the importance of Research and its Ethics. He casted light on the reality of the professional field and listed out the challenges that one may encounter in their career. He also explained about the Research Challenges and its importance.

NDLI Club in organizing this is worth remembering. Altogether, the event was a grand success & paved way for many such endeavors in future.

### Online Seminar-"INTRODUCTION TO KUBERNETES"

Seminar on "Introduction to Kubernetes" was organized on Thursday, 16<sup>th</sup> February 2023 at 09.30 am with the objectives:

- To understand the basics of containers,
- To build containerized applications and deploy them on Kubernetes.
- To understand the advantages of a deployment that uses Helm charts with Kubernetes.

The expected outcomes of the workshop was to increase the understanding of Kubernetes and its importance.

Benefits of having own cloud in engineering colleges:

- A time frame for follow-up actions for implementing a cloud.
- Identification of potential sources of technical and financial collaboration for supporting follow-up Kubernetes communities.

### Entrepreneurial Journey

The Institution of Engineers (India) Tumakuru Local Centre in Association with Institution's Innovation Council (Ministry of HRD Initiative) of Channabasaveshwara Institute of Technology, Gubbi organized an expert talk on "Entrepreneurial Journey" by **Sri Pradeep Soundararajan**, CEO, Moolya Software Testing Pvt Ltd, Bangalore on 21/02/2023

### Engineering Electromagnetic in Real Time

**Prof B A Sridhara** gave an insight of Electro-magnetic that exist in the real time and its application. He engaged with the faculties and students asking questions and elucidated the importance of understanding electro-magnetic. He also explained about the Research Challenges and its importance in the field of electro -magnetic.

# CAMPUS MiTRA... Step 4

## Computer Science & Engineering

### Hands-on Session on Dockers in Production

Department of Computer Science and Engineering organized a Hands-on session on "Dockers in Productions" under Alumni interaction program for 3rd and 1st Semester students of Computer Science and Engineering department on 04-03-2023. Resource Person was **Mr. Gangadhar S**, Senior ML Engineer, Tiger Analytics, Bangalore and an alumnus of 2016 batch. 60 students participated and it was a fruitful session for uplifting their technical skills and uplifting their career.

### SPARKLE-23

Department of CSE, CIT, Gubbi had organized an ISTE sponsored Intra Collegiate event titled "SPARKLE-23" in connection with the subject "Social Connect and Responsibility -1CSR36" on 6th & 7th March 2023 for 3rd-semester students of all the departments of engineering.

### Introduction to Kubernetes 3

Department of Computer Science and Engineering had organized a workshop on "Introduction to Kubernetes" in association with Euonia Labs on 16th Aug 2023 for 4th semester students. 13 students attend the workshop.

### Algorithm Puzzle

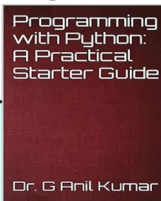

Department of Computer Science and Engineering had organized a workshop on "Algorithm Puzzle" on 24th Aug 2023 for 4th semester students. 98 students attended the workshop.

### Publication by Faculty Members

- Mr. Suhas K C, Assistant Professor, Dept. of CSE, published a paper entitled "Block chain is changing the face of crowd funding" and "Detecting Privacy Attack in IoT Network using Deep Learning Model" at IOT, Communication, Intelligence and Computing" 2023
- Mr. Suhas K C, Assistant Professor, Dept. of CSE, published a paper entitled "A Survey on Diabetes prediction models using Machine Learning over Bigdata" at European chemical Bulletin
- Mr. Mahesh N & Dr Keshava Prasanna, Department of CSE published a paper entitled "A brief Survey of Lung cancer detection using convolution Neural Network" at European chemical Bulletin

**Dr. G Anil Kumar**, Coordinator, Dept. of CSE, has published his first authored book "Programming with Python: A Practical Starter Guide" on Amazon Kindle

### Knowledge Enrichment Courses

- Mahesh N, Assistant Professor, Dept of CSE, completed Knowledge Enrichment Courses on **Introduction to Deep Learning** and **Python for data science** offered by Great Learning
- Suhas K C, Assistant Professor, Dept of CSE, completed Knowledge Enrichment Courses on **Google Colab Python** offered by Great Learning

### Students Achievements

#### Knowledge Enrichment Course Completion

Many of the students of the department have completed certification courses offered by various reputed certifying agencies and the details are as below

Sl. No.	COURSE NAME	CERTIFICATE ISSUING AUTHORITY
1	IT support program	Coursera Google certificate
2	Scientific Computing with Python	FreeCodeCamp
3	Oops java	Great learning
4	Python Fundamentals for Beginners	Great Learning Academy, Kaggle
5	Front end development	IBM
6	Programming with Python	Internshala
7	Python	Kaggle
8	Python and C for beginners	Kaggle and great learning
9	Python course & App development course	Kaggle & Rinex IIT Bhubaneswar.
10	Data analytics	NPTEL
11	Foundation of cloud IoT edge ML	NPTEL
12	Introduction to Machine learning	NPTEL
13	Introduction to programming in c	NPTEL
14	Programming in Java	NPTEL
15	The Joy of Computing using Python	NPTEL
16	Python	Python
17	CSE	Python in Kaggle
18	Java programming for beginners	Udemy
19	Python for beginners	Udemy

#### Students Participation in various events

- Mr Renuka Nanda, Ms Vidyashree, Ms Rashmi MR have presented a paper "Block chain is changing the face of crowd funding" in the conference IoT, communication, intelligence and computing held at SIET, Tumkur in May 2023.
- Ms Himaja S, 5<sup>th</sup> semester student has participated "Tech Quiz" and has been awarded 2<sup>nd</sup> Prize held on 6<sup>th</sup> May 2023 at Vemana Institute of Technology, Bangalore.
- Ms Gagana A N, 5<sup>th</sup> semester student has participated "Hackathon" organized by Shritek Innovations held on 8<sup>th</sup> Nov 2023 at SIET, Tumkur.
- Ms Gagana A N, 5<sup>th</sup> semester student has participated "Tantra" held on 20<sup>th</sup> Nov 2023 at SSIT, Tumkur.
- Ms T V Deeksha Jain, 5<sup>th</sup> semester student has participated on-line workshop on "Backend web development using NodeJS, express and JavaScript" held on 25<sup>th</sup> Oct 2023.
- Ms Rashmi M R, 7<sup>th</sup> semester student has successfully completed internship in the area of "Smart Manufacturing" from 15<sup>th</sup> May 2023 to 30<sup>th</sup> June 2023 under **Drishiti, an initiative by Ministry Heavy Industries, Government of India.**
- Ms Priyanka H, 7<sup>th</sup> semester student has successfully completed 6 weeks internship using IBM Skill Build in "Artificial Intelligence" from June 12, 2023 to July 24, 2023 was conducted in collaboration with **AICTE and Edunet Foundation.**
- Ms Priyanka H, 7<sup>th</sup> semester student has participated in **CodIEEEng 1.02k23**, organized by the **IEEE WIE Student Branch** of SIT, Tumkur on 20 May 2023.
- Ms Priyanka H, 7<sup>th</sup> semester student has participated in **Level 1.1: E-Commerce & Tech Quiz**, of the **Flipkart Grid 5.0- Software Development Track** organized by Flipkart on 11<sup>th</sup> May 2023.
- Ms Preethi M, Ms Rekhashree R K, Mr Rahul S and Mr Mohan K S have participated in National Level Hackathon 5.0 **INVADERS on Cyber Security and Ethical Hacking** a 24 hrs event held on 23<sup>rd</sup> and 24<sup>th</sup> November 2023 at Maharaja Institute of Technology, Mysore.
- Mr. Manohara H C, Mr Jeevan R, Mr Manoj T H and Mr Nandana VA have participated in National Level Hackathon 5.0 **INVADERS on Cyber Security and Ethical Hacking** a 24 hrs event held on 23<sup>rd</sup> and 24<sup>th</sup> November 2023 at Maharaja Institute of Technology, Mysore.

**Prof. G Anil Kumar**, Coordinator, Dept. of CSE successfully completed his Ph.D & was awarded the same in the VTU Convocation held on February 2023.

### Staff Awards & Recognition

- Mr. G S Suresh nominated as Convenor IEI- Tumkur local Chapter
- Mr. Asif Ulla Khan, nominated as Reviewer in 1st IEEE Conference and nominated as Convenor ISTE, Karnataka Section
- Mr. Suhas K C conferred as Reviewer for IGI Global and Microsoft CMC

### FDP Attended

Faculty members of the department have attended FDP on **Cyber Security and Forensics, Deep learning and its applications, Fundamentals of Data Science & Analytics, Introduction to Cyber Security, Introduction to Internet of Things (IoT), Introduction to Python Programming & its applications, Introduction to Web Programming** organized by various institutions during the year-2023

# CAMPUS MiTRA... Step 5

## Electronics & Communication Engineering

### “ROBOCON”

The State Level Robotic Competition, "ROBOCON" held on May 8, 2023 was a remarkable event orchestrated by the collaborative efforts of IEI Tumakuru Local Centre, CIT Gubbi, and the Department of ECE-Ideas Club. The competition which unfolded at amphitheatre, CRC Block, showcased an impressive display of innovation and technical prowess in the field of robotics.

#### Event Highlights:

1. Teams across the state participated bringing together a diverse pool of talent and creativity. The competition saw a robust turnout, indicating a keen interest in robotics within the region.
2. The competition comprised a series of challenging tasks that tested the participants' technical acumen and problem-solving skills. From autonomous navigation to intricate manipulations, the tasks were designed to push the boundaries of robotic capabilities.
3. Participants presented a spectrum of innovative robotic designs, reflecting a blend of engineering excellence and creativity. The event provided a platform for participants to showcase their unique approaches through robotics.
4. A panel of seasoned experts from the field of robotics assessed the projects, ensuring a fair and knowledgeable evaluation. Their insights and feedback contributed to the educational aspect of the event, providing valuable guidance to participants.
5. "ROBOCON" fostered a collaborative learning environment, encouraging participants to exchange ideas, insights, and experiences.

This aspect of the competition promoted knowledge-sharing and networking among robotics enthusiasts. In conclusion, the State Level Robotic Competition, "ROBOCON" was a resounding success, bringing together talent, innovation, and expertise under one roof. The collaborative efforts of IEI Tumakuru Local Centre, CIT Gubbi, and the Department of ECE-Ideas Club have undoubtedly contributed to the growth and enrichment of the robotics community in the state. The event's success lays a solid foundation for future editions, promising even greater strides in the field of robotics.

### PROJECT EXHIBITION

- ◆ Our ECE students Mr. Sanjay T M (1CG20EC048), Ms. SMITHA H N (1CG20ec057), Ms. YASHASWINI C S (1CG21EC407) and Mr. Amruthesh (1CG21EC006) participated in "TECHNIKA 2K23" Inter college Level Mini Project Exhibition organized by Akshaya Institute of Technology, Tumakuru held on 3/7/2023 and secured 2nd place in the project exhibition.
- ◆ Our ECE students from the 5th semester not only participated in the "Tantra" Project Exhibition at SSIT, Tumkur on 20/11/2023 but also secured the second place with their project, "Bridge Monitoring System." Kudos to these talented individuals: -Amruthesh B (USN: 1CG21EC006), Naveen Kumar TR (USN: 1CG21EC087), Arshiya Banu M G (USN: 1CG21EC010), Ramya Sree T (USN: 1CG21EC090), Chethana CK (USN: 1CG21EC017), Naveen (USN: 1CG21EC069)

## Information Science & Engineering

### Hands-on Session : "Peer to Peer session on Git, Git Hub and Azure"

Department of Information Science and Engineering organized a inter department program "Peer to Peer Session on Git, Git Hub and Azure" on 5th Jan 2023. This technical hands-on session is a student-initiated program to share knowledge about Git, Git Hub and Azure basic concepts to the student community. This program is successfully handled by Mr. Poorvik Jain T M (5th Sem Student) & Ms. Soundraya H R (5th Sem Students) at 10AM with the welcome note. Later the session lifted by Mr. Poorvik Jain and given lecture on Git and Git Hub with an Hands-on session. In the afternoon session the session carried by Ms. Soundraya H R on Azure and Power application. Around 100+ students are participated in this session and got benefited

**Channabasaveshwara Institute of Technology**  
(Affiliated to VTU, Belgaum & Approved by AICTE, New Delhi)  
(ESTD 2002, 2023 Certified Institution)

### "STARTATHON - Collaborative Learning & Skill Development Program" in association with Infy Challengers Club

Startathon was a value-added Collaborative Learning and Skill Development program, organized by department of Information Science and Engineering in association with AIDS dept and supported by IIHCUS Technology LLP. The program mainly concentrated on Python, web development and Python web framework (Django). The students of CSE stream departments participated actively in all the sessions. The top performers were awarded with appreciation certificates and goodies sponsored by IIHCUS Technology LLP.

- In Day -1:** Peer to Peer sessions on python concepts and in that week all the students completed 30 hours lecture in free code camp.
- In Day 2:** Peer to Peer sessions on advanced python concepts, 50+ students successfully completed scientific computing with python certificate from free code camp.
- In Day 3:** Web page design and web application, on this day students designed their own profile using HTML and CSS.
- In Day 4:** Hands on session on Python web framework Django by Mr. Anil Kumar and Mrs. Tejaswini S.
- In, Day 5:** Assessment. Performance of the participants was assessed by giving

**CONTACT NUMBER:**  
8964892712

Department of Information Science and Engineering organized Invited Talk for students on "The Role of Engineers in Nation Building" on 20 Feb, 2023. The Resource Person was **Mr. Gagan Abbinahole**, Founder, Nirbhaya Youths Federation, Karnataka.

Session mainly concentrated on the below points:

1. Engineers play a very important role in every walk of life. They are technically skilled professionals, who are responsible for solving problems through the use of machines devices, systems, materials and processes.
2. They convert knowledge of basic sciences into products. Their main focus is on making things work efficiently and effectively by applying the theories and principles of sciences and mathematics to research and develop economic solutions to technical problems.
3. With such a vast and varied nature of their job, the engineers are really the foundation stone of a nation's building and their role cannot be neglected in a nation's all round progress. The engineers on their part should be proud of what they do and contribute effectively towards the growth of their country and the world at large.

Total 116 students and teachers attended the invited talk.

### Alumni Talk on "Resume Building - Towards IT Industry"

**INFY CHALLENGERS CLUB PRESENTS**  
**RESUME BUILDING**  
TOWARDS IT INDUSTRY  
PRE-PLACEMENT ACTIVITY

**Alumni Connect**

**ABOUT SPEAKER**  
**MR. DAYANIDHI R S**  
BEST OUTGOING STUDENT  
2016-2020 BATCH

**15TH JULY 2023, 10AM ONWARDS**  
**SATURDAY**

**FOR REGISTRATION CONTACT HERE**

**MR. PRADHEEP M P, ISE DEPT. CIT, GUBBI**  
**MR. ANIL KUMAR, ISE DEPT. CIT, GUBBI**  
**MR. ANITA MOHANA, ISE DEPT. CIT, GUBBI**

**ORGANIZED BY**  
**DEPT. OF INFORMATION SCIENCE AND ENGINEERING**  
**INTER DEPARTMENT EVENT FOR 5TH SEMESTER STUDENTS**

Alumni Connect, a regularly organized event by CIT-ISE an invites prominent Alumni of CIT to share the stage briefing on their area of specialization, expertise, and opportunities for internships, and

placement openings for students who avails them. Alumni Talk invited **Mr. Dayanidhi R S** (BE: 2016-20) System Engineer at TCS . He addressed BE 2nd and 4th (ISE, AI&DS, CSE, EC, EEE, CV, ME) semester students on topics related to Resume Building for

placement activities. Session mainly concentrated on the below points.

- ♦ Motivated students to prepare resume on their skill set
- ♦ Motivated students to participate in technical events (Hackathon, Workshops, Etc.)

### STUDENT ACHIEVEMENT NPTEL Online Certification

Students have completed online certification courses offered by **National Programme on Technology Enhanced Learning (NPTEL)**, like Foundation of cloud IOT Edge ML, Ethical Hacking, Python for Data Science during the year 2023

### PATENTS DETAILS

**Pradheep M**, Assistant Professor Department of Information Science & Engineering have obtained patent for "**Psychological Stress Detection to Avoid Suicide Cases using DeepLearning**" via application number 202241011833

## Artificial Intelligence & Data Science

### FOOD FESTIVAL

Dept of AD Organized the Food Festival on 12th January 2023. Dr. Shanthala C P, Vice Principal, CIT, Gubbi Inaugurated the function with other faculties, in order to celebrate our Indian traditional festivals and insist the uses of traditional food. The aroma of traditional food was palpable as home-cooked, healthy and organic dishes were prepared and served. It was an attempt to raise awareness among students about the benefits of millets, organic food and avoid the junk food.

### "How To Become Successful In Life"

Dr. Gavisiddappa Prof. and HOD, Dept. of AD conducted session on "How to become successful in life" as a part of Induction Programme for first year students on 04-09-23. After the Session

a student will understand how to motivate himself to succeed in life. Student will also apply the ideas or thoughts to get success in his/her carrier.

### Students Achievements

- Total 57 students of II semester 2022 batch have successfully completed course on **Introduction to Cyber security** conducted by CISCO during July - August 2023 under the Guidance of Mrs. Nagapushpa B M , Associate Professor, Department of AD.
- Total 61 students of IV semester 2021 batch have successfully completed course on **"PYTHON"** conducted by KAGGLE under the guidance of Mrs. Tejaswini S, Department Coordinator of AD
- Kumari Siri N student of IV semester successfully completed NPTEL online certificate for the course **"Cyber security and Privacy"** on July - October 2023 (12 weeks course)

### FDP ON "ANALOG & DIGITAL ELECTRONICS"

The Department of AD at CIT, Gubbi organized 2-days faculty workshop on "ANALOG & DIGITAL ELECTRONICS" from 14th October to 15th October 2023. The workshop was conducted by Dr. Gavisiddappa. The primary objective of the workshop was to improve the competence of the faculty in the area of Analog and Digital Electronics. The workshop covered topics such as principles of A/D and D/A conversion circuits, Design and analyze application of analog circuits using photo devices, timer IC, power supply

and regulator IC and op-amp, Simplify digital circuits using Karnaugh Map, and Quine-McClusky Methods, Explain Gates and flip flops and make use in designing different data processing circuits, registers and counters and hands-on session on Multisim and Xilinx simulator.

### FDP on "DIGITAL DESIGN & COMPUTER ORGANIZATION"

The Department of AD at CIT, Gubbi organized 2-days faculty workshop on "Digital Design and Computer Organization" from 10th October to 11th October 2023. The workshop was conducted by Dr. Gavisiddappa, Prof. and HOD, Dept. of AD. The primary objective of the workshop was to improve the competence of the faculty in the area of Digital Design and Computer Organization. The workshop covered topics such as Boolean Functions, The Map Method, Four -Variable K-Map, Hardware Description Language - Verilog Model

of a simple circuit, HDL Models of Combinational Circuits - Adder, Multiplexer, Encoder, Sequential Logic, Machine Instructions and Programs, Input/output Organization, Basic Processing Unit. Mutisim and Xilinx simulators were used for Digital design and HDL models.

### NPTEL Exams Special Coaching classes

Department of AIDS organized special coaching classes for 15 students and 24 students from ISE who have registered for NPTEL exams held on September 24 for the course PYTHON FOR DATA SCIENCE. The

Resource Person was Mrs. Tejaswini S, Assistant Professor, Department of AD, C.I.T, Gubbi Total 7 students cleared out of 15 and got NPTEL Certifications.

### Faculty Achievements

- Mrs. Nagapushpa B M completed a course on **"Introduction to Cyber security"** conducted by CISCO on 19-07-2023.
- Mrs. Tejaswini S, CIT Gubbi, as **Reviewer** for **IEEE First International conference on Data Science & Network Security** Organised by KIT, Tiptur, 28th-29 July 2023.
- Mrs. Tejaswini S attended 4weeks FDP on **Python for Data Science** for 4 weeks from 24-07-23 to 18-8-23 conducted by NPTEL-AICTE Funded MoE, Govt of India
- Mrs. Tejaswini S awarded NPTEL Online Certification with a consolidated score of 68% on **Python for Data Science** on 24-9-23 conducted by NPTEL-AICTE Funded MoE, Govt of India.
- Mrs. Tejaswini S completed Five days National Level Online FDP on **Writing An Effective Research Article :Tips and Tricks** organised by Department of Civil Engineering, KLS VDIIT Haliyal, Uttarakannada Dist. Karanataka from 3rd to 7th Oct 23.
- Mrs. Tejaswini S ,CIT Gubbi as **Reviewer** for **IEEE First International Conference on Ambient Intelligence Knowledge Informatics and Industrial Electronics (AIKIE-2023)** Organized by Rao Bahadur Y Mahabaleswarappa Engineering college, Ballari, 02-03 November, 2023
- Mrs. Tejaswini S ,CIT Gubbi as **Reviewer** for **IEEE International conference on Applied Intelligence and Sustainable Computing** organized by Shri Dharmasthala Manjunatheswara College of Engineering and Technology, Dharwad, 16-17 June 2023.
- Mrs. Nagapushpa B M awarded NPTEL Online Certification with a consolidated score of 58% on **Cyber Security and Privacy** on 22-11-23 conducted by NPTEL-AICTE Funded MoE, Govt of India

## Information Science & Engineering – Faculty Achievements

- Mr. Anil Kumar, successfully completed NPTEL online certification and Faculty Development Program (Funded by the MoE, Govt. of India) on **Python for Data Science**
- Ms. Mala. Assistant Professor, Dept of ISE has applied for the conference with a paper titled **Cloud Network Traffic Classification and Intrusion Detection System Using Deep Learning** has been presentation at the IEEE International Conference on Integrated Intelligence and Communication Systems (ICIICS-2023) in association with IEEE Bangalore Section during 24th & 25th November 2023 at Sharnbasva University, Kalaburagi, Karnataka, India.
- Ms. Mala. Assistant Professor, Dept of ISE has published a review paper **Cloud Network Traffic Classification and Intrusion Detection System Using Deep Learning**, Unique Identification Number - IJCRT2311266 Paper ID - 246320, Page Number(s)- c248-c253, Published in - Volume 11 | Issue 11 | November 2023, Publisher Name - IJCRT | www.ijcrt.org | ISSN : 2320-2882, E-ISSN Number - 2320-2882, DOI (Digital Object Identifier) -https://doi.one/10.1729/Journal.36825
- Ms. Mala. Assistant Professor, Dept of ISE had taken courses in **Deep learning** conducted by IBM and completed the course.
- Ms. Mala. Assistant Professor, Dept of ISE has completed 5 days National level FDP on **"Writing an effective research article: Tips AND tricks"**, from 03/10/2023 to 07/10/2023, in KLS VDIIT, Haliyal.
- Ms. Mala. Assistant Professor, Dept of ISE Participated in 10 Hours National Faculty Development Program on **Machine Learning and Artificial Intelligence** organized by Andhra Pradesh State Skill Development Corporation (APSSDC) in Collaboration with ExcelR Edtech Pvt. Ltd. Date: 13 th Nov to 17th Nov 2023.
- Ms. Mala. Assistant Professor, Dept of ISE Participated in webinar **"Future of IT Presents Scenario"**.
- Mala K, as REVIEWER for AICTE Sponsored IEEE International Conference on Networks, Multimedia and Information Technology (NMITCON) is organized at Nitte Meenakshi Institute of Technology, Bengaluru INDIA during 1st and 2nd September 2023 in association with IEEE Bangalore Section.
- Mala K ,as reviewer for first IEEE International conference on integrated intelligence and communication system(ICIICS-2023)
- Mala K was a reviewer for first IEEE International conference on Data Science and Network Security(ICDSNS-2023) organized by Kalpataru Institute of technology, Tiptur, 28th -29th July 2023.

# CAMPUS MiTRA... Step 8

## Civil Engineering

### VTU - GOLD MEDAL

Mr. UJWAL RAJ RATHNA (1CG19CV042) was awarded a Gold Medal during VTU convocation under the category "Son of Primary School Teacher scoring highest marks in Civil Engineering" for the academic year 2022-23

### WORLD ENVIRONMENT DAY 2023

The department of Civil Engineering organized a guest lecture about "World Environment Day- 2023" on 12th June 2023.

The program started with the introduction of the speaker **Mr. D.R.KUMARASWAMY**, Retd Chief Environmental Officer- Bangalore, Director, Prakruthi Institute of Environmental Studies. HOD Dr. Sudhikumar.G.S welcomed Mr. D.R.KUMARASWAMY on behalf of institute. Then the platform was taken over by the speaker with an introduction to environment and its importance.

Following points were discussed to enhance the knowledge and importance of the environment:

- Environment Pollution
- Climate Change
- Lifestyle for Environment
- Environmental acts and rules
- ◆ Per Capita Water Consumption
- ◆ Change of Lifestyle to protect Environment

### SITE VISIT

#### Heritage walks & craft Corner

As a part of Social Connect and Responsibility, 3rd semester Civil Engineering students visited Devarayanadurga & Gorvanahalli, near Tumkur to gain the knowledge about Heritage place & craft corner on 13/01/2023.

#### Food Walk

As a part of Social Connect and Responsibility, 3rd semester Civil Engineering students visited to Sree Siddaganga Mutt at Tumkur to gain knowledge about, how food will be prepared in larger quantity, food preparing procedure, food supply & cleanliness maintained on 13/01/2023.

### WORLD WATER DAY 2023

The event "World Water Day" was organised by Institution of Engineers (India) Tumakuru Local Centre at Channabasaveshwara Institute of technology, Gubbi on 29th March 2023. The event was inaugurated by the Chief Guest **Dr Devaraj Reddy**, Hydrogeologist and Rain Water Harvesting Advisor, Chitradurga, Dr Sridhar K N Rao Chairman-IEI Tumakuru Local Centre, Dr Suresh D S, Director and Principal, CIT., Gubbi, Secretary IEI-TLC, ISTE Chairman-

Karnataka section, Dr Sudhikumar G S, Head-Civil Division, IEI-Tumakuru Local Centre, Prof and Head. Dept of Civil Engineering, Dr C R Pradeep, Professor, Department of Mathematics and Mrs. Ramya H N, Assistant Professor and Head-Civil Division, IEI Tumakuru Local Centre.

### FACULTY PUBLICATION DETAILS

1. Mr. Venkatesh A L et al. published a paper entitled "Experimental investigation on warm mix asphalt and reclaimed asphalt pavement (WMA-rap) with Zycotherm as additive for village roads" in International Scientific Journal of Engineering and Management (ISSN: 2583-6129)
2. Mr. Thejesh T N et al. published a paper entitled "Experimental study of transparent concrete using optical fibre" in International Journal of Engineering Science and Computing (ISSN: 2250-1371)
3. Mr. Thejesh T N et al. published a paper entitled "Effect on the characteristics of clayey soil using sisal fibre, polypropylene fibre and hybrid fibres as a stabilizer" in International Journal of Engineering Science and Computing (ISSN: 2250-1371)
4. Mr. Siddhartha B H et al. published a paper entitled "Strengthening of columns by using CFRP" in International Journal of Engineering Science and Computing (ISSN: 2250-1371)
5. Mr. Manjunatha M Katti et al. published a paper entitled "Determination of water Quality by using Artificial Intelligent" in International Scientific Journal of Engineering and Management (ISSN: 2583-6129)
6. Mrs. Ramya H N et al. published a paper entitled "Decolourization of dye Effluent using teak leaves and banana trunk" in International Research Journal of Engineering and Technology (ISSN: 2321-3361)

### "Construction Management" Guest Lecture

The department of Civil Engineering with an introduction to Construction organized a guest lecture about Management and its importance in "Construction Management" on 19th February 2023.

The program started with the introduction of the speaker **Er. Ashok Kumar S G**, Founder & CEO, Construction Management Training Institute, Bangalore-560011. It is highly appreciable to note that, Er. Ashok Kumar S G is also an IGBC member. HOD welcomed Er. Ashok Kumar S G on behalf of institute. Then the dias was taken over by the speaker

- ◆ Infrastructure developments
- ◆ IOT in civil industry
- ◆ Infrastructural Projects in and around karnataka
- ◆ Civil engineering software
- ◆ Importance of Internship
- ◆ Job opportunities

### KSCST FUNDED STUDENTS PROJECTS

1. Project guided by Mr. Manjunatha M Katti titled "Analysis Of Water Quality By Using Artificial Intelligence (Ai)" by Gowtham S and team
2. Project guided by Mr. Venkatesh A L titled "Experimental Investigation On Warm Mix Asphalt And Reclaimed Asphalt Material With Zycotherm As Additive For Village Roads." by Vishwas and team
3. Project guided by Mr. Chandan C S titled "Land Use And Land Cover Change Detection Analysis Using Rs And Gis" by Chethan Kumar T R and team
4. Project guided by Mrs. Ramya H N titled "Decolorization Of Dye Effluent Using Teak Leaves And Banana Trunk" by Swaroop Sunagar and team
5. Project guided by Mr. Thejesh T N titled "Experimental Study Of Transparent Concrete Using Optical Fibre" by Girish L and team

### Industrial visit

#### Ultratech RMC visit

On 31/08/23- 4th semester Civil Engineering students visited **Ultratech RMC plant, Hirehalli** at Tumkur in regard to gain knowledge about, Ready-Mix Concrete (RMC) is concrete that is manufactured in a batch plant, according to each specific job requirement, then delivered to the job site "ready to use".

#### Prabitha Polymers visit

On 09/11/2023- 7th semester Civil Engineering students visited to **Prabitha Polymers**, Challakere in regard to gain knowledge about, Xyloid's Synthetic Wood, a revolutionary product designed to compete with the strengths of wood and overcome its weakness.

# CAMPUS MiTRA... Step 9

## Mechanical Engineering

### SAE- CLUB

SAE team by name **TEAM GOLDEN EAGLE**, Dept of Mech. Engg., CIT., Gubbi comprising of 25 students and faculty- **Dr. Giridhar S Kulkarni** took part in event called SAE BAJA 2023. This was held at Chitkara University, Baddi Chandigarh, India from 5th April 2023 to 10th April 2023.

The 16th edition of the BAJA SAE INDIA series by the Society of Automotive Engineers was inaugurated.

# SAE INDIA

Society of Automotive Engineers INDIA

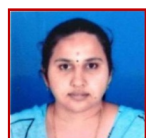

### Workshop Attended @ CMTI

Workshop on **IIoT Implementation in Metal Casting & Demonstration of Integrated Smart Foundry** was attended by first & final year students of Mechanical Engineering on 28th August 2023 at **CMTI - Central Manufacturing Technology Institute** Tumkur Road, Bengaluru-560022. The Chief Guest of the programme was **Prof. B Ravi**. Director, NITK. The Speakers of the

workshop are Dr. S. Savithri Ex. Chief Scientist, CSIRNIIST, Prof. A.M. Kuthe VNIT Nagpur, Shri. Prakash Vinod, Scientist-F, CMTI, Dr. Amit Sata Professor, Marwadi University, Rajkot, Dr. Arati V. Muly Associate Professor, CoE, Pune, Shri. Vithun Scientist-C, CMTI, Dr. Arati V. Muly Associate Professor, CoE, Pune, Shri. Vithun Scientist-C, CMTI. The Students were accompanied by faculty members- Ms. Sushma S and Dr. M S Rajendra Prasad.

### Ph.D Awarded

**Mrs. Sushma S**, Assistant Professor, Department of Mechanical Engineering, awarded Ph.D for the thesis submitted "**Studies on Optimization of Air Cooled Heat Sink For Different Geometries And Thermal Nano Coatings To Enhance The Heat Transfer In Electronic Devices.**" by VTU, Belagavi.

### Seminar on "OBE & RBT"

A seminar on "**INTRODUCTION TO OBE & RBT**" was conducted for mechanical engineering students on 11.10.2023 by **Dr. Siddesh Kumar N G**, Assistant Professor, Department of Mechanical Engineering, CIT., Gubbi Tumkur

### Patent Details

**Natesh C P**, Assistant Professor, Department of Mechanical Engineering filed a patent for his invention "**Electrical Power Generation and Refrigeration by using waste heat from IC Engine**" via Application Number 202341007099 on 03/02/2023

### Student's Achievements

#### Technical Events

**Nikhil M** and **Praneeth S D** of VII Semester, participated and won Consolation Prize in Project Exhibition organized by **Anveshana** on 2nd & 3rd March 2023 at Bangalore CMTI-DIC 2023 Prototype Realisation.

#### CMTI-DIC 2023 Prototype Realisation

The project named "**Multimaker Foldable Modu-mach Concept**" proposed by our final year students **Nagendra Prasad G**, **Santosh Kumar C M**, **Harish Gowda H** and **Darshan G V** got Mentoring from CMTI Scientist - **Mr. Vinod A R** and guided by **Mr. Natesh C P** has received the **financial assistance of Rs.1,75,700/- from CMTI R&D center, Bangalore**. The duration of the project is six months

### Field Visit

Field visit for 4th semester students was organized on 24th August 2023 to TATA sponsored workshop at ITI College, Hammasandra, accompanied by faculty members **Dr. Siddesh Kumar N G** & **Dr. Sushma S**.

### Paper Publication

- "**Soft computing for sustainable drilling of AISI316L stainless steel under formulated neem oil minimum quantity lubrication condition**" by C.P. Natesh, Y.M. Shashidhara, H.J. Amarendra, Raviraj Shetty, Rajesh Nayak, S. V. UdayKumar Shetty, Madhukara Nayak & Adithya Hegde., Cogent Engineering (2023), 10: 2261231.(https://doi.org/10.1080/23311916.2023.2261231)
- Manjunath Gowda M R**, **Kiran Gowd M R**, **Ramesh B T**, **Sachit T S** and **Ashok R Banagars**, "**Evaluation of Performance Characteristics of Tri-Lobed Cam Mechanism with 8° and 9° Taper Turn in an IC Engine**" Journal of Mines, Metals and Fuels, 71(2): 171-177; 2023. DOI:10.18311/jmmf/2023.
- G S Jatadhara**, **T K Chandrashekar**, **N R Banapurmath**, **Nagesh S B**, **Keerthi Kumar NS**, "**Effect of Injection Timing in Direct Injection Diesel Engine using Plastic Oil Diesel Blends with Biodiesel as an Additive**" Journal of Advanced Research in Fluid Mechanics and Thermal Sciences 101, Issue 2 (2023) 73-84.
- "**Effect Of Cng Flow Rate On Dual Fuel Engine Operated With Argemone Biodiesel As The Pilot Fuel**" by **Mukesh.Y.B**, **Nagesh S.B**; Section A-Research paper, ISSN 2063-5346.
- NG Siddeshkumar**, **R Suresh**, **C Durga Prasad**, **L Shivaram**, "**Evolution of the surface quality and tool wear in the high speed turning of Al2219/n-B4C/MoS2 Nano metal matrix composites**", International Journal of Cast Metals Research, 1-17, 2023

- R Chitwadgi**, **B Siddesh**, **BL Shankar**, **B Advesh**, **R Suresh**, **Siddeshkumar NG** "**Optimization of Sliding Wear Behaviour of AA2219 Nanohybrid Composite Using Box- Behnken Design**", Journal of Mines, Metals & Fuels 71 (6)

# CAMPUS MiTRA... Step 10

## Electrical and Electronics Engineering

### TWO DAYS NATIONAL LEVEL WORKSHOP on DIFFERENTIAL EQUATIONS FOR ENGINEERS

The Department of "Electrical and Electronics Engineering" of Channabasaveshwara Institute of Technology (CIT) in association with Indian Society of Technical Education (ISTE) - Karnataka section, Electrical Engineering Division of IEI - Tumakuru local centre conducted "Workshop on Differential equations for engineers", a two days national level workshop on 28th and 29th April 2023 in CIT campus.

The workshop was conducted to showcase the presence of DEs in various fields and was well presented by Professors from IISc Bangalore, IIT-Bombay, NIO -Goa, Central University -Tamil Nadu.

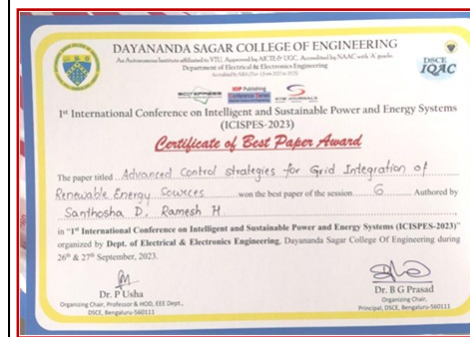

### INDUSTRIAL VISIT

An Industrial visit for 6th semester students is organized on 13th January 2023 to ABB Ltd. Bengaluru accompanied by faculty member Mr. Santhosha D, Assistant Professor

### Papers Presented by Faculty member

Mr. Santhosha D presented a paper titled "Advanced Control Strategies for Grid Integration of Renewable Energy Sources" in 1st International Conference on Intelligent and Sustainable Power and Energy Systems (ICISPES-2023) and won the best paper of the session held in Dayanand Sagar College of Engineering during 26th & 27th September 2023.

### GUEST LECTURE

A guest lecture is organized for EEE students on 17- 04- 2023 Time: 11:00 AM to 1:00PM

**Guest lecture Topic:** ENGINEERING ELECTROMAGNETICS IN REAL TIME.

**Speaker:** Prof. B A Sridhara, Associate Professor, Department of Electrical & Electronics Engineering, Siddaganga Institute of Technology, Tumkur

### NPTEL Courses

Sl. No.	Name	Course	Duration	Marks scored
<b>Faculty</b>				
1	Mrs. Radha B N	Power Quality	Jan-Apr 2023 (12 weeks course)	65%
<b>Students</b>				
1	Mr. Yashwanth C S	Cloud Computing	Jan-Apr 2023 (12 weeks course)	75%
2	Mr. Mohammed Sufiyann	Problem Solving through Programming in C	Jan-Apr 2023 (12 weeks course)	55%

### KSCST Sponsored Projects

Sl. No.	Name	USN	Title of the project	Guide	Amount Sanctioned
1	Harshith G K	1CG20EE410	PV System MPPT with Fuzzy Logic	Mr. Vinaya B K	Rs. 6000/-
	Manjunath H G	1CG20EE412			
	Manu H	1CG20EE413			
	Srinivas M N	1CG20EE421			
2	Karhik D	1CG19EE013	Electric Power Generation using Railway Track	Mr. Manjunath M N	Rs. 7000/-
	Shashank N	1CG19EE038			
	Venkatesh B R	1CG19EE044			
	Yashwanth C S	1CG19EE046			

### Awards and Achievements

- A final year project titled "Solar Powered Multi Crop Harvester" carried by Madhu H R, Chethan Gowda B P & Gowrish K G and guided by Prof. V C Kumar has secured First prize in the national level project exhibition contest "VIBRATIONS-2K23" held on 9th May 2023 in East Point College of Engineering & Technology, Bengaluru.
- A final year project titled "Two Wheeling Standing Electric Skate Board using Solar Energy" carried by Chandrika D, Manasa K V, Shwetha G R & Deepika D S and guided by Prof. Manjunath M N has secured First prize in the state level project exhibition contest "TECHTOPIA-2K23" organized by Department of Electronics & Communication Engineering in association with IETE held on 5th May 2023 in RRIT, Bengaluru.

# CAMPUS MiTRA... Step 11

## Department of MBA

### Business Analytics Workshop

Department of MBA organised 5 days Workshop on “**Business Toys**” for all the Students of 1st Semester MBA from 06th to 11th March 2023 at CIT. **Mr.Uttam Tiwari** and **Mr Manikantha** addressed the students about importance of MS – Excel in the current business senerio and to get the job. The resource person explained the methods and ways of using the tools for effective analysis of data. He discussed the various formulas that can be used to work on the data analysis specially for examination and student data. He also explained the usage of excel in drawing graphs and charts

Workshop topics include: Build great charts. Use conditional formatting. Help identify trends Bring data together. Data analysis frame work. Data Cleaning. Data of ICICI. Performance Appraisal. Filters. Meeting Tracker.

The above mentioned topics were discussed theoretically and taught practically in the lab to gain MS excel knowledge, usage of big data mining, analyse the cases amongst the financial decisions and to represent it graphically. Few models were taught and case was solved during the session in solving business financial problems, to develop the strategies, to understand and solve cost analysis under various techniques.

### Industry visit to Bhorukas

Department of MBA organised Industry visit to Bhorukas Fabcon Pvt Ltd, Mysore on 19th July, 2023 for the Students of IV Semester MBA.

Bhoruka Fabcons Pvt Ltd (BFPL), started in 2007 to fill the gap in professional downstream aluminium machining and engineering firms. BFPL started as a venture of Bhoruka Aluminium Ltd (BAL) offering value added aluminium products to its customers by machining extrusion profiles. Today it stands as an independent firm with a diverse customer base. The manufacturing facility is located in Mysore Equipped with state of the art infrastructure . BFPL offers a range of operations - cutting, drilling, sinking, milling, tapping , welding, bending, and turning Industries served include electronics, automobiles, OEMs, aviation, renewable energy, metro rail projects, security doors, textile machinery, etc.

### Webinar on Digital Marketing

The webinar was organized by Department of MBA on 27th July, 2023. The speaker of the session was **Mrs. Raksha R Karpoor** who is a Founder of Social Media Marketing. She has an MBA degree from St. Joseph 's College of Business Administration. She has worked previously at firms like Goldman sachs,Manthan systems and Global Academy of Technology.

The session aimed to give an overview of Digital Marketing. Digital marketing is the component of marketing that converts traditional marketing into a digital arena with the help of the internet. Due to the decline of traditional marketing, many companies are solely being run by providing digital marketing training. It consists of various developing stages that play a vital role in deeper understanding

### Grassroots exploration

Department of MBA has facilitated Grassroots exploration for reputed B-Schools, Welingkar Institute of Management Development & Research, Bangalore from 2013 to 2023 and for CMR University from 2016 to 2017.

The basic objective of this study is to sensitize students with respect to grass roots issues which people in rural / tier-2 areas are confronted. The students are exposed to the various sectors at rural areas such as Agriculture, Health, Animal husbandry, Industries, Co-operative sectors, interactions with progressive farmers and young Entrepreneurs.

The study helped the students to know the challenges and problems at grassroots level. This study would provide opportunity to the students to use knowledge, tools and techniques to create new business in the emerging rural markets. The study has helped many students to evolve as Young Entrepreneurs who had identified business opportunities in rural ecosystem.

The department have developed and articulated the process of grassroots exploration study for both the B schools and developed curriculum for connecting to the various sectors in rural areas.

The department has schedule the exploration study-2023 activities under **Agriculture, start-up, Education + NGO + Tourism, Industry**. The exploration on agriculture sector focused on problems faced by the farmers concerned with pre harvesting and post harvesting scenarios, start up & livelihood focused on problems of financial management, bureaucratic obstacles, stiff competition. Many **small and micro industries** in these are mainly agro based sectors. Again exploration focused on traditional manufacturing process, marketing and employment generation. Education +NGO+Tourism focused on problems faced by education institutions and tourism focused on cultural heritage and mysticism. Industrial sector focused on understanding production of goods, resources and services and maintaining steady growth and productivity.

The grass roots study from Welingkar Institute of Management Development & Research, Bangalore was conducted from 27thMarch to 31st March 2023.

We-school students and staff of 32 members participated in the exploration. The detailed schedule of the exploration study with the sector concerned has been enclosed with this.

The exploration focuses on agriculture sector highlighting the various farming culture adopted for cultivation of the available resources. Agriculture sector focuses on problems faced by the farmers concerned with pre harvesting and post harvesting scenarios. Animal husbandry focuses on problems of sheep/goat raring, chicken farms etc and marketing.

Many **small and micro industries** are mainly agro based sectors again exploration concentrates on traditional manufacturing process, marketing and employment generation in the rural areas. Similarly the study focuses on start-ups & livelihood and which is consider to be one of the successful sector.

Another sector is Education, the study focuses on rural education environment that is poverty, awareness of education, system incorporated. Health and medicinal services provided by the government and other private sectors as well the traditional health practices of the rural people.

The department provides all the necessary aid to the students of the B schools, by dividing the sectors as per the key sector areas. The faculty and students of the department joined with B school students in identifying the grass-root level challenges in various areas, problems & prospective and enable them to prepare a new business model that initiates the rural development in both employment generation and marketing prosperity.

# CAMPUS MiTRA... Step 12

## PROFESSIONAL SOCIETY ACTIVITIES

### END TO END VLSI TECHNIQUES & Carrier Professional society activity centre Opportunities in the field of VLSI Domain

In association with Dept. of Electronics & Communication Engineering, Ideas Club, Channabasaveshwara Institute of Technology, Gubbi from Telecommunication Engineering

Division (ET) of IEI-Tumakuru Local Centre has successfully conducted on 14th Jan 2023. Resource Person: **Mr. Vinay Kumar H M**, Senior Manager, RTL Design, Cienra Tech Solution Pvt. Ltd., Bangalore

### Construction Management

Resource Person: **Dr. Ashok Kumar S G**, Founder & CEO, Construction Management Training Institute, Bangalore-560011.

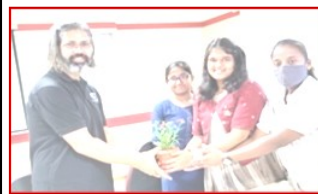

From Civil Engineering Division (CV), IEI-Tumakuru Local Centre has successfully conducted on 21st Feb 2023 at Channabasaveshwara Institute of Technology, Gubbi

### Entrepreneurial Journey

Resource Person: **Mr. Shri Pradeep Soundararajan**, CEO, Moolya Software Testing Pvt. Ltd, Bangalore.

The Institution of Engineers (India), Tumakuru Local Centre in Association with Institution's Innovation Council (Ministry of HRD Initiative) of CIT, Gubbi organized an expert talk on "Entrepreneurial Journey" by Mr. Pradeep Soundararajan, on 21/02/2023.

### SPARKLE-2023

Department of Computer Science and Engineering, CIT, Gubbi had organized an ISTE sponsored Intra Collegiate event titled "SPARKLE-23" in connection with the subject "Social Connect and Responsibility - 21CSR36" on 06-03-2023 and 07-03-2023 for 3rd-semester students of all the departments of engineering. The event mainly concentrated on various extracurricular and co-curricular activities such as Blog creation, Open Mic competition, Debate, Drawing, and story-telling, and the topics for the above-said events were the subject of Social Connect and Responsibility. As this was the first time, the subject was introduced by Visvesvaraya Technological University, the topics, pedagogy mentioned and the way of assessing Continuous Internal Evaluation (CIE) and Semester End Examination (SEE) was completely different from the typical technical subjects. This event was a brainstorming event and acted as a preparation step for the students toward CIE and SEE. The organizing committee decided to award students with 2 prizes (1st Prize and 2nd Prize) for each event and a Champions Trophy for the Department with the maximum points and a Runners-up trophy for the department with 2nd highest points. Accordingly many students from all the departments actively participated in the events held on both days.

### Introduction to Kubernetes

Resource Person: **Dr. Sridhar K N Rao**, Chairman IEI-TLC, Chief Adviser (Research), CIT Gubbi.

On 16th February 2023, the session started with the introduction to cloud computing, the concept of "someone else's computer" and various kinds of cloud services offered like infrastructure, platform and software. Then a brief introduction to virtualization and types of virtualization:- Hardware level and software level virtualization. He also introduced the concepts of open stack software and virtualized infrastructure manager. He also explained the Docker: - creating and running containers. Then he took all students to the cloud server in the college.

He gave a brief explanation about all the components, how it is worked on and managed. He made students to work through some basic Linux commands to run a Docker, starting a Minikube, how to login to a container. He explained the process of switching from the Host operating system to Ubuntu and then Ubuntu to a container. He also instructed students to work on how to run a default container application and how to create a new container and interacting with the container created in the Minikube.

## PROFESSIONAL SOCIETY ACTIVITIES

### IDEATHON-2023

Channabasaveshwara Institute of Technology (CIT) in association with Indian Society of Technical Education (ISTE) - Karnataka section, Computer Science Engineering Division of IEI - Tumakuru local centre and Institutions Innovation Council conducted "IDEATHON-2023", a state level innovation challenge on Tuesday, 14th March 2023 in CIT campus.

Objectives:

- ◆ To promote and develop the competence, team spirit, integrity and communication among the students.
- ◆ To make the student(s) observe and think on real time problems and find solutions.
- ◆ To build network among the student community.
- ◆ To bring out the hidden talent of an individual and collaborative attitude.
- ◆ To familiarize the students about the upcoming and current trends in technology.

The event was conducted to bring out the best minds with best ideas that have a potential to be a future market product. The call to share the ideas was posted on 08.02.2023 and it was accepted till 13.02.2023. As many as 450 students registered using the provided link and nearly 150 ideas were received from the students representing various engineering colleges spread across the state. The received ideas were based on the following themes.

- ◆ Health and Wellness.
- ◆ Food and Agriculture.
- ◆ Automation and Robotics.
- ◆ Energy and Environment.
- ◆ Transportation.

### World Water Day - 2023

Chief Guest: **Dr. Devaraja Reddy N J**, Hydro geologist and Rain Water Harvesting Advisor, Chitradurga.

"World Water Day" was organized by The Institution of Engineers (India), Tumakuru Local Centre at Swamy Vivekananda Conference Hall, CIT Gubbi on 29th March 2023. The event was inaugurated by the Chief Guest Dr. Devaraja Reddy N J, Hydro geologist and Rain Water Harvesting Advisor, Chitradurga, Dr. Sridhar K N Rao Chairman-IEI Tumakuru Local Centre, Dr Suresh D S, Director and Principal CIT Gubbi, Hon. Secretary IEI-TLC and Chairman-ISTE Karnataka Section.

### Tantra 2K23

Gagana A N Secured 1st prize in Aptitude and technical quiz held at S.S.I.T ON 17.11.2023

### IETE Sponsored Membership for Faculties

The Institute organized a IETE membership drive and the institute has decided to provide financial assistance. Specifically, the management has approved 50% of the membership fee shall be borne by the institute. The remaining 50% shall be paid by the institute on your behalf as an advance payment.

### ISTE FREE MEMBERSHIP FOR STUDENTS

Institute is having an active ISTE student chapter (ID:-KA-72). The college organized a membership drive for the student and created a free membership of 84 students from various branches by spending an amount of Rs.11906/-(Eleven Thousand Nine Hundred Six ). Total 368 students have ISTE Membership in the college.

### The Best performing ISTE Student Chapter Award (18th Student Convention)

Name :- Ms. Dedeepya M  
USN :- 1CG20EE007  
Branch :- ECE, C.I.T-Gubbi

### C.I.T Students bagged awards (18th Student Convention)

- ◆ Ms. Gagana AN (1CG21CS037), Ms. Himaja S (1C21CS048) and Ms. Ananya Jain G (1CG21CS007), Ms.Yashaswini C (1CG21CS121), secured 2nd place in Debate
- ◆ Ms. Gagana AN (1CG21CS037), Ms. Himaja S (1C21CS048), Ms. Ananya Jain G (1CG21CS007), Ms.Yashaswini C (1CG21CS121), secured 2nd place in Technical quiz

at 8th ISTE Karnataka state level ISTE student convention held at Vemana Institute of Technology, Bangalore on Saturday, 06 May 2023.

### CIPHER BATTLE 2.0

Channabasaveshwara Institute of Technology- Gubbi - Tumakuru hosted a 24-hour State-Level Technical/ Hackathon competition on 8th and 9th July 2023 organized by Eunoia Labs Bangalore and Coral Academy of Learning Management Bangalore in Association with ISTE and IEI and other Professional Societies.

Around 350 students from 35 engineering colleges all over the state participated in this mega event.

The competition comprised four categories of events  
1. Product Development, 2. IT Quiz, 3. AWS Sponsored Quiz, 4. Programming Competition.

2. The event was inaugurated by Sri, G B Jyothi Titans from GSSSIETW, Mysore secured Fourth Place and the team Hacksquad from CIT Gubbi secured Fifth Place in Product Development Category. Mr. Gangadhar S, Program Manager Tiger Analytics. Mr. Srijith H S, Program Manager - TCS Bangalore. Mr. Chethan S, Program Manager TCS, and Mr. Kumar S Program Manager Eunoia Labs Bangalore were the Jury Panel Members.

## Graduation Day – 2023

## Placement Offer Day 2023

The graduation day ceremony at CIT Campus on May 30, 2023, marked a momentous occasion for the 2023 batch of students, their families, and the entire CIT community. The event hosted in the auditorium, brought together esteemed guests, faculty, and the proud graduates to celebrate their academic achievements and bid farewell to their college years. Distinguished Dignitaries:

**Chief Guest:** Dr. P G Diwakar, ISRO Chair Professor, National Institute of Advanced Studies (NIAS), IISc Campus, Bangalore, India.

**Guest of Honor:** Sri. G B Jyothi Ganesh, MLA, Tumakuru City Constituency, Secretary & MD, CIT Group of Institutions.

**President:** Sri. G S Basavaraju, MP, Tumakuru Constituency, Chairman, CIT Group of Institutions.

In presence of Dr. Suresh D S: Chairman, ISTE – Karnataka, Director & Principal, CIT, Gubbi., Dr. Sridhar K N Rao: Chairman IEI, Tumakuru Local Center, Chief Advisor(R&D), CIT, Gubbi. Dr. Shantala C P: Director and Chief Mentor, CADAC, Vice Principal & HOD Dept. of CSE, CIT, Gubbi.

The ceremony commenced at 10:00 am with an opening address by Dr. Shantala C P, who welcomed the dignitaries, faculty members, students, and their families. The stage was adorned with a sense of accomplishment and anticipation as the graduates prepared to step into the next phase of their lives.

### Highlights of the Ceremony:

1. Distribution of Course Completion Certificates and Awards: The HODs of all departments proudly presented course completion certificates to the graduating students. Special awards, including the Best Outgoing Student, Best in Co-curricular, and Best in Extra-curricular activities, were also conferred upon deserving recipients.
2. Mementos and Best Wishes: Each graduate received a memento as a token of appreciation for their hard work and dedication. The dignitaries extended their heartiest congratulations and best wishes for the future endeavors of the young graduates.
3. Memorable Journey Videos: The highlight of the event was the presentation of videos showcasing the four-year journey of the 2023 batch. Department-wise compilations captured the academic, cultural, and social experiences, leaving both students and the audience nostalgic and reflective.
4. Lunch and Networking: Following the formalities, a sumptuous lunch was organized for all attendees, providing an opportunity for students, parents, and faculty to mingle and share their experiences.
5. Master of Ceremonies (MOC): The event was skilfully guided by Prof. Suhas K C, Assistant Professor in the Department of CSE, who ensured a seamless flow of the program and engaged the audience with anecdotes, humour, and heartiest messages.

The Graduation Day 2023 at CIT Campus was not just a ceremony; it was a celebration of accomplishments, a reflection of memories, and a promising send-off for the graduates. The institution takes pride in nurturing these individuals who are now ready to embark on new challenges and contribute to society. As the ceremony concluded, the spirit of achievement lingered, setting the stage for the bright futures that await the 2023 batch of CIT graduates.

On May 30, 2023, the Placement Offer Day took place with great enthusiasm and honor. We were privileged to have esteemed guests in attendance. Dr. P G Diwakar, the ISRO Chair Professor at the National Institute of Advanced Studies, IISc Campus, Bengaluru graced the event as the Chief Guest. His expertise and insights were truly inspiring.

The Placement Offer Day was preceded by Dr. D S Suresh, the Director of CIT Group of Institutions, who set the stage for the event with his opening remarks. Dr. Shantala C P, the Director and Mentor of CDAC, Vice Principal, and HOD of the Department of CSE, also graced the occasion with her presence and shared valuable insights.

Overall, the event was a resounding success, providing a platform for students to interact with industry experts and explore exciting placement opportunities. We are grateful to all the dignitaries for their presence and contribution to making the Placement Offer Day 2023 a memorable and enriching experience.

In the academic year 2022-23, 139 students were placed with 197 offers.

Chief Guest - Dr. P G Diwakar, ISRO Chair Professor, National Institute of Advanced studies, IISc Campus, Bengaluru.1

Guest of Honor - Sri. G B Jyothi Ganesh, MLA, Tumakuru City Constituency, Secretary & Managing director, CIT Group of institutions.

Preceded by Dr. D S Suresh, Director CIT Group of Institutions

## CIT - Women Empowerment Cell Activities

### Awareness Program on International Human Rights Day "Elimination of Violence against Women"

The Women Empowerment Cell [CICC], CIT, Gubbi conducted a Awareness program on International Human rights day **"Elimination of Violence against Women"** for CIT Staff /Girl students that was held at the auditorium, CIT Gubbi.

Dr. Suresh Kumar D S, Director & Principal, CIT Group of Institution welcomed the speaker Smt. Undi Manjula Shivappa, Senior Civil Judge, Legal Service Committee, Gubbi Court.

The Function was inaugurated by Mrs. Undi Manjula Shivappa ,chief guest of the Program Human rights day **Elimination of Violence against Women** informed the students after attaining 18 years of age they will not get excuses for their mistakes and they will be punished by the law based on the seriousness of the offenses and the only way to avoid is to know the laws and use of those laws to protect your rights and help to create awareness in society informing your family members and friends

In general terms, the following laws and for women rights were addressed.

- ♦ Intimate partner violence (battering, psychological abuse, marital rape).
- ♦ Sexual violence and harassment (rape, forced sexual acts, unwanted sexual advances, child sexual abuse, forced marriage, street harassment, stalking, cyber-harassment).
- ♦ Human trafficking (slavery, sexual exploitation).
- ♦ A new set of issues concerning human rights and women.

Violence against women continues to be an obstacle to achieving equality, development, and peace as well as to the fulfillment of women's and girls' human rights.

Dr. Shantala C P, Chairman, WEC Cell, CIT Gubbi, concluded the program by saying know the laws and use of those laws to protect your rights and help to create awareness in society

### Women Special Investor Awareness Program to Empower the Millennials

On 14th March 2023, a women special investor awareness program was held with an aim to empower millennial women to become confident and informed investors. The program was organized by Ambition Learning Solutions, BFSI training organisation in collaboration with Channabasaveshwara Institute of technology, Women Empowerment Cell, and it was attended by first year MBA students with 100 participants.

Keynote Speech: The event began with a keynote speech by Mr. Varad Kulkarni of Ambition Learning Solutions, BFSI training organisation. he emphasized the importance of financial independence for women and shared insights about how an small investment today with the power of compounding can make a huge change in financial growth and how to become a successful investor. Ms. Mr. Varad Kulkarni also spoke on various topics such as investment strategies, risk management, and financial planning & also different investment options available for women and highlighted the need for women to take charge of their financial future.

Following the keynote speech, Dr. Shanthala CP, Vice Principal & Head Department of CSE had an interaction with the millennials and mentioned about successful female investors and shared their insights and experiences.

Conclusion: The women special investor awareness program was a great success, and it achieved its objective of empowering millennial women to become confident and informed investors. The event provided valuable insights and practical knowledge on investment options and strategies. The program also emphasized the need for women to take charge of their financial future and highlighted the importance of financial independence. Overall, the event was a great initiative towards promoting women's empowerment and financial

### Women's Day Celebration on the theme of "Digitall"

International Women's Day was celebrated with great enthusiasm on March 8, 2023 The theme of the event was **"Digitall,"** which focused on the impact of technology on women's empowerment. The event was organized by the Women Empowerment Cell of the college, with the active participation of the students and staff.

The program started with a welcome speech by Mrs. Jyothi KS, the Secretary of the Women Empowerment Cell, who highlighted the significance of the day and the theme of "Digitall".

She spoke about how technology has transformed the way women live, learn, and work, and how it has opened up new opportunities for them. She also emphasized the need for women to embrace technology and use it to their advantage.

The keynote address was given by the Vice Principal & chairman of the Women Empowerment Cell, Dr. Shantala C P , who congratulated the women of the institution on this special day. She spoke about the

achievements of women in different fields and how they have broken the barriers of gender discrimination. She also emphasized the role of education in empowering women and enabling them to pursue their dreams. Dr. Shantala C P further highlighted the importance of digital literacy and how it can help women to access information, learn new skills, and connect with the world.

After the address by the key note speaker, a series of activities were

conducted to celebrate the day. The program concluded with the prize distribution ceremony, in which the winners were awarded prizes. The event was a huge success, with the active participation of students and staff, and the message of the theme was effectively conveyed to all attendees.

In conclusion, the Women's Day Celebration on the theme of digitalization was a great success, with the active involvement of students and staff. The event emphasized the importance of digital literacy in women's empowerment and highlighted the impact of technology on their lives. It was an inspiring and enlightening experience for all participants

# CAMPUS MiTRA... Step 16

## CIT - Youth Empowerment Cell

### INTERNATIONAL YOGA DAY 2023

An event "International Yoga Day 2023" was conducted by CIT-YEC on Wednesday 21st June 2023. A total of 40+ students from all branches are participated in the program. The session was conducted by Mr. Rangaswamy, Yoga Instructor and trainer CV Dept., CIT, Gubbi, who have lot of experience in yoga. Who took yoga session with great dedication. The students and teachers participated with full interest, enthusiasm, and eagerness.

The session began by seeking the blessings of the almighty by chanting the Gayatri Mantra. Asanas starting with warming up and stretching were followed by a series of Padmasanas, Sukhasana, Tadasana, Bhujang Asana and ending with Shavasana. Exercises for relieving stress, reducing joint pain and enhancing the flexibility of the back were also done for the benefit of the teachers.

Mr. Anil Kumar, Asst. Prof., Dept. of ISE, motivated the students & staff and conveyed the importance of making yoga an integral part of our daily life by extending the practice of yoga beyond the mat. The session concluded with an interactive session between the instructor and the teachers in which the queries of the teachers were addressed satisfactorily. The session was very refreshing, reviving and relaxing

**"A few minutes of Yoga during the day can be a great way to get rid of stress that accumulates daily, in both body and the mind. Yoga postures, Pranayama and meditation are effective techniques to release stress"**

### "Swachhatha Hi Seva" Campaign

As per of VTU circular No: VTU/BGM/NSS/CIRCULAR/02/2023-24/990, Dated 23rd September 2023, and as a part of NSS regular activity programme, NSS unit-1 and unit-2 under the theme, **"Swachhatha Hi Seva Campaign"** had organized **"E-Waste Collection drive"** on 01-10-2023 in CIT Campus, Gubbi.

Director/Principal **Dr. D S Suresh** had given the valuable suggestions and directions regarding the program, followed by Dr. Shivaprakash, Dean Examination, tracking the program in the stages. Dr. Giridhar S Kulakarni, Prof. and H O D, Dept. of Mechanical, Prof. V C Kumar, H O D, Dept. of Electrical, NSS officers Mr. Vijayaprakash H B and Mr. Ravi N S were present in the program. Students of First year BE and CIT polytechnic were actively participated in the program by submitting and collecting E-Waste materials.

Followed by this program, students and staffs were also participated in a "Jatha" taken out for "Making CIT - Plastic Free Campus" by creating the posters such as "Say No to Plastics", "Save Earth Save Life".

Students also participated in campus cleaning program by collecting plastics and waste materials in and around the CIT Campus.

# CAMPUS MiTRA... Step 17

## Cultural Activities @ CIT

### TECHNO CULTURAL FLAIR 2023

Techno Cultural Flair 2023 is an intercollegiate cultural and technical fest of Channabasaveshwara Institute of Technology. This annual affair brings with it new surprises, new challenges, new winners, and lots of fun along with it. It is a two-day event that features several activities and events that challenge the potential of students from all over the student community. Every year the students unite in a combined and synergized effort to organize this festival. Not only does, it allows the students to explore their creative and artistic sensibilities but it also provides a platform to exhibit their talents. Our college authority decided to celebrate this year's annual cultural program with technical events.

Flair has been one of the best college festivals in Tumakuru that has attracted students of 7 different engineering colleges to exhibit their talents, implement their technical skills and show their connection with culture. In this techno cultural fest CIT organized 40+ events (Technical and Cultural) with the cash prize worth of 2.5 lakhs. The biggest attraction of the fest was the DJ shows and Celebrity live concert Harshadwani.

This year Flair Champions are "Team Illuminati" Led by Nikil 8th Semester student and runner is "Team imparable" led by Yashas Gowda 8th Semester CV student.
