### Main observations after analysis

ANALYSIS OF FEEDBACK RECEIVED FROM STUDENTS			
SI NO	Attribute	Observations	Resolution
01	Visit to Thermal Power Plants	Students expressed that they need to visit thermal power plants as part of educational trip at least in prefinal/final year.	Will be taken to the Management for further action
02	Technical talk	It is expected that they need more talks especially on latest technological advancements in the core domain	Will be implemented in the coming semesters
03	Industrial Visit	At least one Industrial visit per semester is to be carried out in each year	Will be taken to the Management for further action
04	Soft Skills Training	Soft Skills training must be conducted to improve the confidence in attending placement drives	Will be taken to the Officials concerned for implementation
05	Project guidance	Need the faculties who are doctorates for guiding projects which are connected with industrial real time problems	Will be taken to the Officials concerned for implementation
06	Internships	Expect internships to be arranged in Core Mechanical Companies	Represented to the Officials Concerned
