## 27. A Brief Report on TECHNOTHOUGHT-2024

TECHNOTHOUGHT-2024 is an innovative idea presenting competition that is conducted as a part of the Institution's Innovation Council (IIC) a Ministry of Education (MoE)' s Innovative cell, a Government of India Initiative.

Institution's Innovation Council (IIC) mainly aims at systematically fostering the culture of Innovation amongst all the Higher Educational Institutions across the Country.

Aligned to the objectives of the Institution's Innovation Council (IIC), our college Channabasaveshwara Institute of Technology has come up with an innovative idea presenting competition **"TECHNOTHOUGHT-2024"**

**TECHNOTHOUGHT - 2024**, a premier event is an innovative idea presenting competition designed to ignite the spark of creativity and problem-solving in the next generation of engineering minds. The competition was open to students of all streams of Engineering

**THEME: "Identify the sustainable challenges in society and provide a Technology based solution"**

The main objective of **TECHNOTHOUGHT – 2024** is bring together several talented engineering students from various Engineering colleges across the state to compete and provide weighable technical solutions focused on developing innovative plans for real-world challenges. This intense and collaborative environment will not only push the boundaries of technological possibilities but also foster teamwork, critical thinking, and entrepreneurial spirit – skills crucial for success in the ever-evolving technical landscape.

The Event is officially sponsored by The Indian Society for Technical Education, Karnataka Section, The Institution of Engineers (India), Tumakuru local chapter, and supported by diverse firms namely Eunoia Labs, Coral Academy of Learning and management, itit academy, iihcus and change pay, On behalf of our College and **TECHNOTHOUGHT – 2024** team I take this opportunity to thank all our partners.

The event received an overwhelming response from more than 20 different engineering colleges across the state with total registrations rising to 59. We wholeheartedly thank all the participants who have shown interest in registering for the event. Amongst 59 teams registered, their presentation was scrutinized by a team of domain experts, and have shortlisted 19 best teams for today's final . Teams shortlisted are from CIT, SIET, GSSS, Mysore, SIT, Jyothi Institute of Engineering and Technology, and Nagarjuna College of Engineering. Congratulations to all the shortlisted teams and on behalf of team **TECHNOTHOUGHT – 2024**. We expect healthy, intense competition from all the teams and we wish the best of luck.
