Faculty Achievements

Dr. Gavisiddappa, Professor and Head of the Department of Artificial Intelligence & Data Science, was awarded a Certificate of Appreciation by SAT Tumakuru in recognition of his valuable participation and contribution to the Clean Drive Initiative organized at SIT, Tumakuru, in observance of World Environment Day 2026.

Faculty Participation

Dr. Gavisiddappa, Professor and Head of the Department of Artificial Intelligence & Data Science, actively participated in the Orientation Programme on “Understanding and Addressing Complex Engineering Problems in OBE Framework,” organized by SJC Institute of Technology in collaboration with Visvesvaraya Technological University (VTU), Belagavi, on June 15, 2026, in virtual mode. The programme enhanced participants' understanding of Outcome-Based Education (OBE) and effective approaches to addressing complex engineering problems in higher education.

Faculty Participation

Mrs. Tejaswini S, Assistant Professor, Department of Artificial Intelligence & Data Science, participated in the Orientation Programme on “Understanding and Addressing Complex Engineering Problems in OBE Framework,” organized by SJC Institute of Technology in collaboration with Visvesvaraya Technological University (VTU), Belagavi, on June 15, 2026, in virtual mode.

The programme enhanced her understanding of Outcome-Based Education (OBE) and effective approaches to addressing complex engineering problems, contributing to continuous professional development and academic excellence.

Faculty Participation

Ms. Vindya B J, Assistant Professor, Department of Artificial Intelligence & Data Science, participated in the One-Day Seminar on “Federated Learning: Privacy Preserving in Artificial Intelligence” organized by the Department of Computer Science and Engineering, Visakha Institute of Engineering & Technology (Autonomous), Visakhapatnam, Andhra Pradesh, held in online mode on 26 June 2026.

Faculty Achievements

Faculty Participates in DELNET Webinar on Google NotebookLM

Mr. Dharaneshkumar M. L., Assistant Professor, Department of Artificial Intelligence & Data Science, participated in the DELNET Webinar on "Google NotebookLM: AI Research Tool & Thinking Partner", organized by DELNET – Developing Library Network, New Delhi, on 6 June 2026. The webinar provided insights into utilizing Google NotebookLM as an AI-powered research assistant for literature review, note organization, and academic productivity, enabling educators and researchers to effectively leverage generative AI in scholarly work.

Faculty Participation

Mr. Dharaneshkumar M. L., Assistant Professor, Department of Artificial Intelligence & Data Science, actively participated in the Orientation Programme on "Understanding and Addressing Complex Engineering Problems in OBE Framework", organized by SJC Institute of Technology, in collaboration with (VTU)

Visvesvaraya Technological University, Belagavi, held in virtual mode on 15 June 2026. The programme focused on integrating Complex Engineering Problems (CEPs) into Outcome-Based Education (OBE), enhancing curriculum planning, assessment strategies, and graduate attribute attainment.

Faculty Participations

Faculty Participates in International Webinar on Data Visualization in Research

Mr. Dharaneshkumar M. L., Assistant Professor, Department of Artificial Intelligence & Data Science, participated in the International Webinar on "Data to Insight: Visual Storytelling in Research", organized by Skill Activate, held on 29 June 2026. The webinar focused on transforming research data into meaningful visual narratives using effective storytelling techniques.

Participants gained valuable insights into data visualization principles, research communication strategies, and best practices for presenting complex information clearly to academic and professional audiences.

Student Placements

Mr. Bharath Kalkote K V (1CG22AD006) and Mr. Shamanth H R (1CG22AD014) of the Artificial Intelligence & Data Science (AD) department (2025–26 batch) were successfully placed as Software Product Developers at Sasken Technologies with a CTC of 5.00 LPA.

A congratulatory banner from Channabasaveshwara Institute of Technology (C.I.T). The banner features the institute's logo and name at the top, along with accreditation details (NAAC, ISO 9001:2015) and location (NH 206, Gubbi, Tumkur). The central text reads "CAREER ADVANCEMENT AND DEVELOPMENT CELL" and "Congratulations!". It features two portraits of students: Mr. Bharath Kalkote K V and Mr. Shamanth H R. The text below the portraits states: "Mr. Bharath Kalkote K V – A D Branch (1CG22AD006) & Mr. Shamanth H R – A D Branch (1CG22AD014) OF 2025-26 BATCH FOR GETTING SUCCESSFULLY PLACED FOR SASKEN AS SOFTWARE PRODUCT DEVELOPERS CTC 5.00 LPA". The banner also includes the motto "BRIDGING INDUSTRY AND ACADEMIA GLOBALLY" at the bottom.
